

MAST WAIVER

By requesting these wing-mast plans, I confirm having read and agreed to these Terms and Conditions:

Licence: As purchaser of these mast plans and on behalf of a potential builder / operator, I acknowledge that I am granted a licence for the building of ONE mast only. I agree to request an expanded licence if planning to build more than one.

Copyright: I further acknowledge that these plans, drawings, and building manual are copyright material and that any distribution of their content or part of, requires prior written permission from the designer (or his assigns). Any disregard of this will be deemed a violation of copyright.

Acknowledgement of Indemnity: I acknowledge that while the designer may be fully qualified to design this mast with adequate strength for its intended pleasure use, he has no control over the final selection of materials, quality of workmanship, and weather conditions to which the mast may be subjected. As potential builder / owner, I therefore agree to accept the following:

Waiver: That once built, neither the builder, owner or any skipper, nor their heirs or assigns, will take legal action against the designer, his heirs or associates, for any damage of property, loss of use, injury or even death arising out of construction and use of this design, whether considered as caused by any deemed negligence of the designer or otherwise, and agree to indemnify and hold harmless the designer, his heirs, successors, and associates, from any loss, liability, damage or cost that may arise relating to the building and use of this design.
